The Appetite

May be increased, the Digestive organs strengthened, and the bowels regulated, by taking Ayer's Pills. These Pills are purely vegetable in their composition. They contain neither calomel nor any other dangerous drug, and may be taken with perfect safety by persons of all ages. I was a great sufferer from Dyspopsia and Constipation. I had no appetite, and was constantly afflicted with Headache and Dizziness. I consulted our family doctor, who prescribed for me, at various times, without affording more than temporary relief. I finally commenced taking Ayer's Pills. In a short time my digestion and appetite

IMPROVED my bowels were regulated, and, by the time I finished two boxes of these Pills my tendency to headaches had disappeared, and I became strong and well.—Darius M. Logan, Wilmington, Dei. I was troubled, for over a year, with Loss of Appetite, and General Debility. I commenced taking Ayer's Pills, and, before finishing half a box of this medicine, my appetite and strength were restored.—C. O. Clark, Danbury, Conn. Ayer's Pills are the best medicine known to me for regulating the bowels, and for all diseases caused by a disordered Stomach and Liver. I suffered for over three years with Headache, Indigestion, and Constipation. I had no appetite, and was weak and nervous most of the time.

three boxes of Ayer's Pills, and at the same time dieting myself, I was com-pletely cured. My digestive organs are now in good order, and I am in perfect health.—P. Lockwood, Topeka, Kans. Ayer's Pills have benefited me wonderfully. For mouths I suffered from Indigestion and Headache, was restless at night, and had a bad taste in my mouth every morning. After taking one box of Ayer's Pilis, all these troubles dis-appeared, my food digested well, and my sleep was refreshing.—Henry O. Hemmenway, Rockport, Mass.
